

Our cocktail menu is an ode to music, and the eras from which these greatest hits were made. Music has the inextricable ability to transport its listeners back to a most treasured or intimate moment. There is a unity that it brings to complete strangers in a recognition of a beat, the tap of a foot, a soul-filling joy. Our cocktails have been thoughtfully created to pay testament to these classics through their likened flavour notes, ingredients or nostalgic qualities and have been reformed with modern flavours and crafting techniques. With drink in hand and music to your ears, allow yourself to feel, relax and enjoy.

# THE VAULT

---

## VAULT ONE

**Laphroaig 30yo** .....  
Distilled in 1985 and double matured in both first and second fill American oak casks. This once-off release is extremely rare and coveted worldwide.

## VAULT TWO

**Brora 34yo** .....  
Bottle no. 738 of 3000 ever produced, this is the 16th edition of irreplaceable whiskies from closed distillery Brora. This 34-year-old Highland single malt, distilled in 1982, is an elegant and restrained take on Brora's characteristic waxy and smoky notes. This whisky was distilled a year before the distillery closed in 1983.

## VAULT THREE

**Port Ellen 17th Edition** .....  
Bottle no. 726 of 2988 and one of the worlds most collectable whiskies. The 17th release of Port Ellen offers light, sweet fruit notes gradually evolving into earthier, oakier, smokier characteristics that leave you in no doubt of its elegance and complexity. Due to the limited number of casks left there's always the danger that each release of Port Ellen will be the last. This 37-year-old whisky was distilled in 1979 and is created from a vatting of eight American oak refill casks. We have just one bottle - then that's it!

## VAULT FOUR

**Louis XIII** .....  
Since the origins in 1874, each generation of Cellar Master selects in the Remy Martin cellars the oldest and most precious eaux-de-vie for LOUIS XIII. Today, Cellar Master Baptiste Loiseau is setting aside Remy Martin's finest eaux-de-vie, as a legacy to his successors for the coming century. A blend of up to 1200 eaux-de-vie, 100% from Grande Champagne. LOUIS XIII is the result of a century of craftsmanship.

## VAULT FIVE

**Macallan Oscuro** .....  
A combination of casks filled between 1987 and 1997. The Master Distiller has combined the collectability of Macallan with once trademark, rich, sherried elegance to create a luxurious expression.

## VAULT SIX

**Macallan 25yo** .....  
Luxuriously rich and increasingly rare, The Macallan Fine Oak 25 Year Old is matured in a combination of three exceptional cask types: American oak ex-sherry, European oak ex-sherry and American oak ex-bourbon. Aged for a minimum 25 years, it is a stunning example of triple cask-matured Macallan. This complex combination of casks delivers a robust favour profile with notes of vanilla, peach and sherry.

## VAULT SEVEN

**The Balvenie 30yo** .....  
The Balvenie 30 Year Old is a rare and especially fine single malt for which Malt Master David C. Stewart MBE selects only exceptional casks that were laid down over 30 years ago. By marrying The Balvenie slowly, aged in traditional oak whisky casks with that aged in European oak sherry casks, David creates a rich, mellow aged whisky with unusual depth and complexity. 'Thirty' is bottled at 47.3% ABV to capture all the signature characteristics of The Balvenie.

# THE VAULT

---

## VAULT EIGHT

**Nikka Taketsuru Pure Malt 21yo** .....  
Nikka has discontinued its lines of extra-aged whiskies, with some reports that the shortage could last up to a decade before the taps are turned back on. This rare blended 21 Year Old malt bottling is dedicated to the Father of the Japanese Whisky Industry, Masataka Takesuru. It took out the place of World's Best Blended Malt Whisky at the 2010 World Whisky Awards.

## VAULT NINE

**Hibiki 17yo** .....  
Hibiki 17 is a rare blend of single malt whiskies from both the Yamazaki and Hakushu Distillery as well as Chita single Grain Whisky. Recently discontinued due to the explosion of popularity leading to stock shortages of aged whisky, this whisky has all the complexity of a single malt with added balance, complexity and delicate sweetness. Hibiki roughly translates to Harmony in Japanese and the flavour profile of this whisky represents this.

## VAULT TEN

**Glenmorangie 1990** .....  
With a vibrancy that belies its 25 years in casks, Glenmorangie Grand Vintage Malt 1990 is an inspiring opening to our exclusive vintage collection, Bond House No 1. The story of this intriguing single malt begins with a harvest reaped against all odds, from one of the most challenging barley harvests in living memory. Carefully nurtured for a quarter century in the finest ex-bourbon and ex-sherry casks, this sublime whisky exhibits an extraordinary mellow, rounded character with heady floral and fruity notes.

## VAULT ELEVEN

**Yamazaki 18 yo** .....  
Yamazaki 18 is highly sort after and not even available in Japan. It is of the rarest and hardest Japanese malts to get your hands on only 3 bottles come to Queensland this year and we managed to get our hands on one. A significant number of European oak, ex Sherry casks (mainly oloroso) make up the maturation regime for this whisky as well as second fill ex Bourbon American oak casks, then a small percentage (approx 5%) from the domestic Japanese oak species, 'Mizunara'.

## VAULT TWELVE

**The Balvenie 25 Double Wood Anniversary Limited Edition** .....  
One of 3600 bottles ever produced, The Balvenie Double Wood Aged 25 Years contains liquid laid down at the Dufftown distillery in 1993 – the same year the original Doublewood Aged 12 Years was released on general sale. Created by malt master David Stewart, the whisky was matured in traditional whisky casks for 25 years and finished in Spanish oak ex-oloroso Sherry casks This whisky is finished in Sherry casks for three months – a shorter time compared to nine months for the 12-year-old bottling – due to its “greater level of spice and complexity” after 25 years of ageing.

## VAULT THIRTEEN

**Glengoyne 25yo** .....  
The Glengoyne distillery is unique as it only uses unpeated malt by drying its barley using warm air, rather than peat fires. It also selects its own trees in Spain and then allows the wood to air dry for two years before filling the casks with Oloroso sherry for a further two years. This expression has spent a quarter of a century ageing in European Oak Sherry casks. It is a decadent 'sherry' experience.

## VAULT FOURTEEN

**Glenfiddich 30yo** .....  
One of the rarest and most precious whiskies from Glenfiddich. A product of time and an exceptional expression that has spent at least 30 years in Spanish Oloroso and American bourbon oak. Every cask is nosed, selected and married by the Glenfiddich Malt Master, for product of only 2 hand picked vatting per year.

## VAULT FIFTEEN

**Macallan Rare Cask** .....  
With rarity at its core, this is a whisky that will slightly differ in makeup from bottling to bottling; with some casks so rare they will never be used again in any other Macallan. Far less than 1% of casks maturing at the distillery have been identified as fitting to bestow the Rare Cask name – and enable the creation of this multifaceted single malt.

## VAULT SIXTEEN

**The Balvenie 25yo Triple Cask** .....  
A rare bottle that we jumped at the chance to feature! Created by combining The Balvenie that has matured in the three most traditional types of cask – first-fill bourbon, refill bourbon and sherry – in a large wooden vessel known as a marrying tun. These new marriages of The Balvenie are made to precise recipes refined over time by the Balvenie Malt Master David C. Stewart MBE to ensure that each captures the distillery’s distinctive rich, smooth and honeyed style.

## VAULT SEVENTEEN

**Talisker 25yo** .....  
Talisker, one of the most remote distilleries in the world, is situated on the storm lashed Isle of Skye and has a colourful history dating back to 1830. Denounced by the local clergy, praised by none other than Robert Louis Stevenson and even suffering a still-room fire in 1960; Talisker has survived and today produces some of the smoothest and character full malts in Scotland. The 25 Year Old is sweet and mild to begin, with some acidity and saltiness. Extraordinary flavour development then envelopes the palate that becomes dry and mineral, with a mild dusting of ground white pepper.

## VAULT EIGHTEEN

**Nikka Taketsuru Pure Malt 17yo** .....  
Nikka has discontinued its lines of extra-aged whiskies, with some reports that the shortage could last up to a decade before the taps are turned back on. Taketsuru 17 yo is awarded the Best Blended Whisky at the world Whisky awards 2012,

## VAULT NINETEEN

**Chivas 25yo** .....  
After a 98 year absence, Chivas Regal 25 returned in 2007. Launched as the world’s first luxury whisky, Chivas Regal 25 is a rare and exclusive blend... never younger than a quarter century-old.

## VAULT TWENTY

**Ardbeg Kelpie** .....  
Said to be one of the most collectable and hard to find whiskies around. This Ardbeg is described as being “as deep as the ocean” thanks to the use of virgin Black Sea oak casks sourced by Dr. Bill Lumsden from the Adyge Republic in Russia. Whisky from these casks have been married with regular bourbon cask matured Ardbeg and bottled for Fèis Ìle 2017 at 46%.

## VAULT TWENTY-ONE

**Laphroaig Brodir** .....  
Brodir (which means 'brother' in ancient Norse), celebrates Scotland's long connection with the Nordic region and culture. This rare release from Laphroaig continues that commemoration. The making of Brodir Port Wood begins with a first maturation that takes place in ex-bourbon barrels, followed by a second maturation in European oak casks seasoned with Ruby Port. It's the combination of woods and the influence of port that add a complexity to this expression.

## VAULT TWENTY-TWO

**Glenfiddich 19yo Red Wine Finish** .....  
Released for the Glenfiddich Age of Discovery series, this 19 yo single malt Scotch whisky has been treated to a red wine cask finish. It was created to commemorate the 1831 voyage of the HMS Beagle, which travelled to South America so Charles Darwin could collect fossils; helping him with his theory of evolution.

## VAULT TWENTY-THREE

**The Macallan Edition 3** .....  
Edition No. 3 is the third release in this innovative series. It continues to explore The Macallan's approach to whisky-making and showcases the skill of their Master Whisky Maker Bob Dalgarno. A sensory journey, this limited edition is an extraordinary collaboration between Bob Dalgarno and the world's most respected aroma expert, Master Perfumer Roja Dove. Drawn from a combination of European and American oak casks, Edition No. 3 presents a sweet and fruity character.

## VAULT TWENTY-FOUR

**Glenrothes 1988** .....  
Glenrothes Vintage malts are the product of a set of casks that have been handpicked by the Malt Master from a particular year's distillation and judged to be at the peak of possible perfection. Vintage selections account for a little more than 2% of the

## VAULT TWENTY-FIVE

**Craigellachie 17yo** .....  
Craigellachie charm is that it still uses old-fashioned worm tubs, said to add extra flavour while also resulting in whiskies that "taste older than they are". The whisky is typically robust, spicy, warming and slightly oily in texture with citrus and American oak to. A unique age statement and a great expression of a rarely used still.

## VAULT TWENTY-SIX

**Macallan 18yo** .....  
The Macallan Triple Cask Matured 18 Years Old forms part of their Triple Cask Matured range; a series of single malt whiskies crafted in a combination of European and American sherry seasoned oak casks and American ex-bourbon oak casks. Exquisitely and expertly married together, this trinity of spirits produces an exotic single malt with orange, velvety cocoa and wood spice flavours.

## VAULT TWENTY-SEVEN

**Beluga Gold Line Vodka** .....  
Beluga vodka is manufactured in an environmentally pure and untouched corner of Siberia, 300 km from the nearest settlement. Beluga undergoes the processes of filtration quartz sand post-filtration and maturing for a 3-month period. "Calmed" and "rested" at every stage.
